

Bicycle racks are back on the bus!

Ride the newly completed H-58, only want to ride one way?
No problem, transport your bicycle with ALTRAN.

Between June 13th and September 30th Alger County residents can take advantage of the transportation service between Munising and Grand Marais every Monday, Thursday and Saturday. The bus leaves from Munising Falls at 10:00 a.m. and leaves Grand Sable Visitors Center in Grand Marais at 11:45 a.m. The cost is \$10, which is half the normal fare for Alger County residents only. ALTRAN will transport you and your bike one way and you can pedal your way home!

If you would like service on a different day of the week, special arrangements can be made at an additional cost.

Space is limited to 3 bikes per trip and reservations are required.
